

The Faber Carol Book: SATB Accompanied

By -

Faber Music Ltd, United Kingdom, 2003. Paperback. Book Condition: New. 252 x 174 mm. Language: English . Brand New Book. The Faber Carol Book is an exciting volume of Christmas carols and songs with an original, contemporary twist, designed to breathe fresh air into Christmas concerts. They contain forty pieces, expertly edited and arranged by Gwyn Arch and Ben Parry, capturing a variety of moods and styles through time -- from contemporary arrangements of medieval and traditional carols, to spirituals, and music from around the world. There is also an impressive line-up of original pieces by some of today's most highly respected choral composers, including Howard Goodall, Lin Marsh, Peter Gritton, Errollyn Wallen and Mike Brewer. There are two separate volumes, this is the second anthology arranged for SATB, the choice of carols is identical to the earlier SA(B) version (although they are not in the same order, or compatible with the first book). Both publications include undemanding keyboard accompaniment and suggestions for optional instrumental lines.

Reviews

Absolutely among the finest book we have at any time read through. We have read through and that I am sure that I will go to read once more again later on. I found out this book from my mum and dad suggested this book to find out.

I actually started reading this article ebook. It is actually packed with knowledge and wisdom. It's been printed in a remarkably simple way and it is only after I finished reading this pdf where in fact it modified me, altered the way I believe.
