Many times we do not have a choice in the decision we make and we can only make the best of what may be a really bad situation. You will see in this story of Alyson -that she like so many of us did not always have a choice in what life handed her. The choices she did have were limited or forced upon her by others ultimatums. You will read about choices that Alyson made that you think the girl absolutely has lost her mind. You may ask yourself, Is she crazy What was she thinking Other times you may feel as scared as she was and want to hug her and comfort her when she huddles in a corner shaking from pure fear. You may even wish you could crawl inside the pages and knock a few folks on their behinds. Alyson keeps going and she forever tries to make others happy, she tries to do what is expected of her, and she tries to be the perfect student, child, daughter, sister, wife and mother.
