Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

WOMEN WERE DESIGNED FOR GREATNESS TOO!

Halo Publishing International, United States, 2012. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Since the fall that took place in the Garden of Eden, woman s role was re-defined. It has been perceived that her role should be limited. That her contributions must be measured and weighed according to standards, guidelines, and restrictions established for her and any attempt to excel beyond these limitations are often dwarfed, sabotaged, or even forbidden. Tradition plays a significant role in how women are treated in cultures, religious circles and society. So where did they originate from? Who is the author of segregating woman from man? Who placed man in the superior role and woman in a secondary class? Many would have us believe that God made this distinction and points to the Bible as validation. Women were Designed for Greatness Too shares hidden biblical truths that may shock you. It reveals how God chose man first but ultimately had to use woman, to establish, fulfill and complete His master plan. Women were Designed for Greatness Too challenges humankind to re-examine their perceptions and treatment of women culturally, religiously and socially; because they too were designed by God. for greatness.
