Each chapter is written in an informal and friendly style and includes everyday examples illustrating how contract law applies to real-life situations. Are you looking for a good grounding in the subject? The authors offer practical explanations of the key concepts and principles covered on undergraduate courses. Summaries of key cases are highlighted throughout the book to give you a solid understanding of the relevant case law. Do you want to think more critically about the law? Contract Law Directions includes problem and essay questions at the end of each chapter, as well as advice on efficient and creative study and on exam technique.
