Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

LINKS OF GOLD (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Links of Gold My father dear, An ancient poet sweetly sings that love Transmuteth iron fetters into gold. Such were the words of Princess Miriam. She was the beautiful, the only child Of Eleazer, ancient Patriarch Of Galilee. The stiff and sterner will Doth often break under sufficient strain, Where bending purpose springeth back again; So the firm nature of the Patriarch Was by her mild persistency overcome. His only child was by indulgence spoiled, And she was beautiful beyond compare. As the opening bud unfoldeth into flower, She in the likeness of her mother grew, Who while still young and fair was forced by death To leave her helpless infant in the world To other's care. The father's tender love Clung fondly to this frail support. Now they together sat in the wide hall Of the high castle tower of Magadan That frowns above the Galilean Sea. His troubled face was full of stern resolve. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
