Hunter House Publishers, United States, 2013. Hardback. Book Condition: New. Michael Sleva (illustrator). 231 x 160 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With game consoles and the Internet, children are playing as much as they always have but now, they sit still while doing it. Kids spend as much time watching TV, using computers, and playing video games as they spend in school each week. One in every three kids in America is considered overweight or obese, and the number one concern that parents bring up to pediatricians is keeping kids fit. Half of all children are not physically active enough for the development of a healthy cardiovascular system. **303 Kid-Approved Exercises and Active Games** helps 6-8 year old kids get off their chairs with fun and age-appropriate exercises. Exercise for children must be fun. These exercises have been used for personal training sessions, kids fitness classes, kids fitness camps, birthday parties and in schools; they have all been Kid-Approved! . Kimberley Wechsler, a specialist in Kids Fitness, took into account the fundamental attributes of being a child while developing these exercises. Children have specific physiologic differences that make them unique. They grow, mature, and develop skills at different ages, so what may be skill appropriate for one child could be harmful for another child. These exercises reflect the emotional, social, physical level of this age group. At this age, children feel confident with the basic skill of fitness and are now ready to be challenged to more complex moves. They are now at the skill level in which physical challenges like balance, muscle building, hand-eye, hand-foot coordination, increasing challenges for their fine and gross motor skills, and functional training can be more added. They are growing in their intellectual and emotional processes as well,...
