Echo Library, United States, 2006. Paperback. Book Condition: New. 222 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Pioneer feminist Mary Wollstonecraft wrote the classic manifesto *A Vindication of the Rights of Woman*, in which she employed an egalitarian social philosophy as the basis for equal rights for women. In this posthumously published novel, Wollstonecraft drew upon similar reasoning, presented in a fictional setting, to illustrate the grim reality of a woman's life in the eighteenth century. The tale of a woman locked up in an asylum by her abusive husband, Maria dramatizes the effects of the era's draconian English marriage laws. Combining the spirited rhetoric of a philosophical treatise with a narrative as gripping as any gothic fiction, this is the book that laid the groundwork for modern feminism. Republication from the classic 1798 edition.
