 Being alone, it s something that most of us feel at one time or another. Isolation and the sense of being separated from the rest of the world is one of the most terrifying of emotions for many of us. The terror of being alone is embedded into our makeup from the dawn of time and mankind s entry into the world. This collection of stories speaks to the many facets of isolation, of being alone and what it does to us. The horrors that can spring out of that darkness we are warned to not venture into is as infinite as the darkness itself.
