Only now that world s exquisite perfection propels one restless young man toward the ultimate challenge. *The Wellstone* For the children of immortal parents, growing up can be hard to do. A prince will forever be a prince--leaving no chance for Bascal Edward de Towaji Lutui to inherit his parents throne. So what is an angry young blue blood to do? Punch a hole in the shadow he s been living in by rallying his equally disgruntled companions to make an improbable spaceship, busting out of the so-called summer camp in which their parents have stowed them and making a daring escape across the vastness of space. Ne er-do-well Conrad Mursk is just along for the joyride--until he realizes this is no typical display of teenage angst. The children are rising up in an honest-to-gods revolution. And, boyo, things are going to get raw.
