Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Illinois in the World War, Vol. 2: An Illustrated History of the Thirty-Third Division* The Sixty-fifth Infantry Brigade, Thirty-third Division, was composed of the 129th and 130th Infantry Regiments, the 123rd Machine Gun Battalion and the brigade headquarters detachment. These organizations were formed from units of the Illinois National Guard whose home stations were outside the city of Chicago. With the rest of the division, the Sixty-fifth Brigade was trained at Camp Logan. Intensive drill transformed the organization into a brigade of physically fit, well disciplined soldiers, ready for the service they were to perform so creditably in France. Several months of rigid training eliminated the unfit, and left only men capable of and ready for hard duty. The division reached France in the latter part of May, 1918, and was sent to a training area back of the lines. Although delayed somewhat by quarantine, the Sixty-fifth Brigade was able to spend most of June and July behind the British front, and received from seasoned Australians instructions in all the details of trench fighting. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
