# American Literature: For Secondary Schools (Classic Reprint)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

AMERICAN LITERATURE: FOR SECONDARY SCHOOLS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from American Literature: For Secondary Schools Teachers of English are fairly well agreed that most of the time spent in literary study should be devoted to literature itself, rather than to history, biography, or second-hand criticism. Yet many, and it seems to me an increasing number, feel that the student needs a brief general survey to aid him in grouping and correlating scattered facts, and to show things in their right proportions. This is especially true in American literature, where, if anywhere, the American student should correlate literary history with other history, and should see that American authors reflect in their writings national life. This book is intended primarily for use in secondary schools where such a survey is offered in the third or fourth year of the course. It gives relatively few dates or unessential biographical facts, and only a moderate amount of formal criticism; but it aims to show the continuous growth and development of American literature, to point out its connection with the American history which the student already knows, and to discuss in their proper relationships those authors with whom an American might reasonably be supposed to have an acquaintance. A single brief term would be sufficient to study the essential parts of the text, and to illustrate them by reference to writings which the pupil has already read. The work will be far more profitable and more interesting, however, if the history can be enforced by a considerable amount of reading in the literature itself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
