Donway Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you need some guidance in your genealogy search? Save time and avoid pitfalls in your research. This book provides simple, no-nonsense instructions to help you get started. Many FREE research links included. Where Do I Start is filled with Hints and Tips to begin your family genealogy research and acquire Genealogy information. In this book, you will find, many on-line resources, how to do court house research, where to find birth, death, social security records free on-line, and 81 questions to ask when interviewing elderly relatives. The Tips on How to break down the proverbial Brick Wall and Free ON-LINE resources will help even the experienced genealogists. Read Where Do I Start? today and enjoy the fascinating journey tracing your ancestors past! Review by Reader. Donna shares how she got bitten by the genealogy bug. She imparts her amazement at how much can be learned about the history of this country as well as one s own family by researching one s family tree. And what s more amazing is that she was able to go back with her family to the 1600s in England, over 400 years. The author has a website where she is asked many how to questions by the participants. She advises one to use a computer for their research and seems to describe the use of genealogy software as an easy task and quite intuitive. She identifies many excellent genealogy websites for the new user, some of which I hadnt t known about despite my history of 20 years of searching for my family tree, much of it on the internet. The author provides sample interview questions for eliciting past stories...
