Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Laraba is a gorgeously shaped bossy girl in her early teens, with highly developed bodily curves beyond her tender age and an ever present beautiful smile on an ugly face. Her nose is an extension of her forehead and her large ears are too visible from the front that they appear to be on her thin cheeks. She is the third child of four daughters, with a single brother rather belatedly bringing the rear of five siblings. Laraba s choices neither less nor more require her to concurrently free her feminine worries of their plight of emotional suppression. This is her story of overcoming this plight, represented in her case by her six year old little brother, a man...
