Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Care and Education of Crippled Children in the United States This volume is intended to serve as a handbook for the use of those who are interested in the care of crippled children. It undertakes to give concrete information respecting 37 hospitals, convalescent institutions, and asylum homes whose work is so standardized as to permit of statistical treatment, and to give a brief outline of about the same number of institutions, schools, and societies which devote only a part of their effort and resources to crippled children, or whose work is less definitely developed and standardized. The rapid growth of work for crippled children since 1891 indicates an increasing recognition of the need, and the facts here given suggest the ways in which that need is to be met. It is hoped that the book will be especially useful to those who are considering the question of organizing work for crippled children. To this end the work is freely illustrated by plans and photographs, accompanied by comparative statistics of the cost of lands and buildings and the expenditures for maintenance. Especial attention is called to the work of the state institutions for crippled children in Massachusetts, New York, Minnesota, and Nebraska. These are the only institutions which are meeting adequately the needs of children in rural communities. It is doubtful whether the needs of these children can be met in any other way, and it is a significant fact that the states of Illinois and Ohio are contemplating the establishment of similar state institutions. In the Introduction and in the descriptions of particular institutions the effort has been made to bring out the spirit of courage...
