She had put on too much weight since the birth of her last child and lost interest in sex. Not surprisingly then, her husband had developed his sex life elsewhere. His long business trips to London had allowed him to find a mistress who shared his sexual tastes and that relationship flourished. When Damion finally told her he thought it was time to move on, Suzi was desperate to keep him and was prepared to do anything to keep the marriage together. That was to be total submission to her husband and a willingness to completely embrace the Ds lifestyle he enjoyed with his mistress. That was only the start and this novella follows Suzis journey into submission, through the training at her husbands hands to the extreme sexual encounters he arranges with other men, women and groups of people who have only one thing in common; a desire to enjoy his sexy, submissive wife. This story has been told before in a series of short ebooks and two collections - Submissive Women - but this is the first time Suzis journey from naive and respectable housewife to horny submissive slut has been available in one long story. This item ships from La Vergne, TN. Paperback.
