She never gave up on improving her communication skills. She knew deep within that she had the ability; however, she struggled with anger issues, which hindered her success of improving her interpersonal effectiveness. She remained focused on her goals. In 1979 Coleman landed a job at the public library where she shelved books returned by patrons. She discovered the inspirational section where the possibility for learning and improving herself were endless. And now, in **Little Prayers, Big Impact**, she is sharing part of her story to help you become all that you were created to be. Those things that once disturbed you cannot shake the foundation of which you stand. **Little Prayers, Big Impact** is your road map to wholeness. It is the key to delayering to get to the heart of the real you. **Little Prayers, Big Impact** will inspire you. It will encourage you. It will change your life.
