By Kaplan

Kaplan Publishing, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service!
 Summary: The most detailed, portable, and easy-to-use drug guide to help you pass the NCLEX-RN! Prospective nurses looking for the best guide on the market to help prepare them for the NCLEX-RN are turning to Kaplan. Nursing students are constantly on-the-go, and they need study materials that fit in with their busy lifestyle. Kaplan's NCLEX-RN Drug Guide: 300 Medications You Need to Know for the Exam is the best pocket-sized and portable drug guide available for nursing students to assist in their preparation. In Kaplan's NCLEX-RN Drug Guide, you will find the focused, key information you need to learn about commonly seen medications on the test, including: Trade names, common names, phonetic pronunciations, and drug families for 300 frequently tested medications Detailed descriptions of nursing considerations and must-know side effects for each medication The latest Joint Commission-approved medical abbreviations for recording medication orders Kaplan teaches to the NCLEX-RN. We provide the tools students need to develop critical thinking skills to successfully answer exam-level questions. We review the nursing content that is frequently tested, but more importantly, we show students how to use this...
