

Endangered Animals: A 3D Pocket Guide

By Young, Sarah, Illustrator.

Candlewick. 1 Slipcased(s), 2013. hard. Book Condition: New. This petite accordion-folded book presents a dozen animals whose survival as a species is seriously threatened. Here are the giant panda and the Siberian tiger, the Asian elephant and the Sumatran orangutan, with eight other animals who face extinction, each introduced in a brief description and seen in a cutout watercolor drawing by Sarah Young that emerges from the background when the page is opened. Readers 5 to 9 can flip through the book one panel at a time to read it like a small pop-up, or stretch it to its full 40-inch length to see it as a wilderness panorama or display it on a bookshelf. The book tucks away into an illustrated slipcase. 2013.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
