He was a profound student of medical literature, up to the very end of his life, always abreast of the times, and keen to make use of every new method and discovery as it was brought forward. His devotion to his patients amounted almost to slavery--and he the slave--but this devotion and unselfish personal service, with his cheerful confidence and the merry twinkle in his eye, gained for him an esteem, an affection, and a loyalty, that only the best of the old-fashioned family physicians could inspire. In all his relations with his professional brethren, Dr. Wood carried into practice the golden rule, and he demanded an equally strict adherence to a high standard of professional ethics from others. He was kind, thoughtful of others, very sensitive of criticism, very loath to criticize others, and always ready to lend a hand. The members of this Association desire to express their gratitude for his long, useful, and honorable career, and for the opportunity and pleasure of having been associated with him in its work. It was moved, seconded and carried that this memorial be adopted and spread upon the minutes of the Association. Dr. Ogden showed a specimen of chylous urine, and stated as follows: The first thought would be perhaps that you have an applicant who has put some milk in his urine, but under the microscope there are no fat globules to be seen which of course eliminates the..
