Brand New Book ***** Print on Demand *****.Excerpt from The Heart of the Commonwealth: Or, Worcester as It Is: Being a Correct Guide to All the Public Buildings and Institutions and to Some of the Principal Manufactories and Shops, and Wholesale and Retail Stores, in Worcestire and Vicinity; With Many Engravings and a New Map of the City The Subscriber, in offering the first volume of this work to the public, would commend it to their attention for the full, (though by means complete,) exhibition to be found in its pages of the business facilities of the heart of the Commonwealth, - now for the first time grouped together in a publication of our own. Books of a similar nature have been published in other cities, and several of them have been very liberally patronized by the business men of Worcester, - greatly, we hope, to their own advantage, no less than that of their publishers. But this is the first of the kind wholly devoted to Worcester and Worcester County. In its pages we have purposely avoided all business notices from abroad, simply because we knew that a very interesting and valuable work could be made up without them, and preferred that the Heart should be unveiled to the business world by itself, and show to how great an extent we can supply the mechanical, educational, and other wants of our neighbors, far and near. We have succeeded in displaying a very attractive variety in the following pages, and are only sorry that any cause should have prevented making it more full and complete.
