Brand New Book ***** Print on Demand *****.Excerpt from The Test of Time: A Half Century Record; Proves All Our Claims Regarding; Superiority of the Ostermoor Mattress Every twenty-four hours we go to sleep, and wake up, and thus every day we prove nature s wisdom even to the smallest details of the immutable laws ever guarding us. The body we inhabit is most marvelously constructed. The brain, the highest development of the body, a wonderfully complex machine, the seat of thought and will, is the controlling motor of our entire bodily mechanism. Our individuality, that wonderful, many-sided mystery, without form, matter or name, sits in the brain, guiding the body, like a grand central operator with millions of wires, controlling an immense electrical system. The heart, our engine, works on for ever, providing the power which pumps the blood that feeds the brain and makes possible its unceasing work. The eyes, danger signals, aided by the nerves, which perceive light, and the ears, secondary danger signals, through nerves interpreting sound waves, are the sentinels of nature, while the machinery is in operation. They,...
