WHEN A WOMAN NEGLECTS HER CHILDREN FOR HER MAN (HARDBACK)

America Star Books, United States, 2012. Hardback. Book Condition: New. 221 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.When a Woman Neglects her Children for Her Man is about a young mother, Leana, who grew up in a world where everything moved too fast around her. Leana went down the wrong road at a young age dealing with different men, and didn't know right from wrong or wrong from right. Leana, being a young mother, still wanted to party and live the life that non mothers lived, and she did not want to take care of her kids the way that she should have. She didn't see what she was doing not only to herself, but as well as her children. Too many woman are like empty wells that never get replenished. We give and give but get little back. We must talk to our children about sex and things that can happen. We also have to talk to our men to let them know that when they hurt us, they hurt themselves. Women we have to talk to each other to share our stories of life rather than pretend that we haven't had to struggle or face challenges. With talking goes listening, sitting quietly, and understanding and learning from experiences and mistakes of other women. Reading this book may be your first step towards being a better mom and one of the many steps in a long journey back. As you read each page, and experience that this could be you, take a step back and look at your reaction, attitude, and feelings to all things you read. Whatever you're willing to do to make changes in your life in order to be a better mom for your kids....
