John F. Blair Publisher. Paperback / softback. Book Condition: new. BRAND NEW, General Robert F. Hoke: Lee's Modest Warrior (2nd), Daniel W Barefoot, He was the youngest major general in the Confederacy. He fought in the first battle of the Civil War and was still fighting after Appomattox. In between, he led what U. S. Grant later called "the worst drubbing I ever got", at Cold Harbor. He was even rumored to be Lee's hand-picked successor as commander of the Army of Northern Virginia. Yet General Robert F. Hoke was never the subject of a full-length biography until Daniel W. Barefoot came along. In 1996, John F. Blair, Publisher, released Barefoot's General Robert F. Hoke's father died when the boy was only seven. Robert studied briefly at the Kentucky Military Institute, then returned home to take responsibility for the family businesses at the tender age of 16. When the war began, Hoke received a second lieutenant's commission. Within three years, he was a major general. Barefoot recounts Hoke's meteoric rise, as well as the skill and...
