God the Creator of the Heavens and of the Earth will give sentence against sin, commanding his Angelic Angels to carry out his Judgments upon the inhabitants in the Earth, out of its four kinds: Wind, Water, Earth, and Fire. God the Creator has given man the intelligence to understand their natural habitat of Seasons, Cycles, and Patterns, yet man relies upon themselves as too think as themselves with tools and instruments predicting the Atmospheric Weather conditions which effects the environments in which we live.
