Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Bridging Nursing Education and Nursing Practice | As graduation approaches, baccalaureate nursing students begin to see their professional goal becoming a reality. But does receiving the graduation certificate and passing board exams really make role transition from student to practitioner possible? A US college utilized nursing clinical elective courses to bridge the gap between the student role and the professional role. A phenomenological, qualitative study was conducted to ascertain the graduate's...
