

Financial Planning Strategies: Lift Off to a Successful Financial Life

By Sharon Finch O Maley

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Husbands and wives, college students, blue collar workers and businesses are all crunching numbers to make every dollar count and trim fat for the monthly budget. Financial Planning Strategies is a must read book because it covers it all from the cradle to the grave. It has up-to-date options for investing and saving for college education as well as how and what to insure. It is an easy read for professionals and lay people; or young and for old. Make this a priority purchase before the day is over. Read and act for your own financial security. Many cringe over the mere word budget. If made correctly and with the suggestions in the book, you will soon find that a budget is your best friend. It is a map and accountability tool because it is the little leaks that can bring a family to financial ruin. If mom and dad make it a family affair, it is an amazing tool to teach kids the dos and don ts in regards to greenbacks. It is never too early...
