

Heaven and Earth: Unseen by the Naked Eye

By David Malin, Katherine Roucoux

Phaidon Press Ltd. Paperback. Book Condition: new. BRAND NEW, Heaven and Earth: Unseen by the Naked Eye, David Malin, Katherine Roucoux, Through the lens of a microscope or the shaft of a telescope exists a universe of boundless life and beauty, that is entirely invisible to the naked eye. Atoms, ice crystals, grains of pollen, snowflakes, butterfly wings, cloud formations, searing comets, and showers of stars are born, live and die. The unprecedented scope of Heaven & Earth offers an awe-inspiring voyage of discovery through this infinite world that is science - from the smallest particles on the earth's surface to tiny dots in galaxies that are billions of light years away. Revealing the extensive range of matter contained in the cosmos, this book navigates a fascinating trajectory through an unexplored world, to celebrate the immeasurable beauty and countless mysteries of planet earth and the universe. It charts - chapter by chapter - intricate landscapes of increasing scale and distance, captured by microscope, x-ray, satellite and telescope. Each magnificent photograph is accompanied by an extended caption that explains it in detail, offering a dose of scientific information that enables us to associate with it on a human scale.
