Reviews

*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Not illustrated. 1895 Excerpt: .his daughter gives some hints on what has been said to be a lost art ; indeed, I may say on two lost arts, for conversation as well as letter-writing can scarcely now be said to be cultivated as an art. Maj. Dulany to his Daughter. July 16th, 1807. My Darling Daughter: The pleasure which your letter of the 25th of May afforded me was great. I hope from it, that you will use the application needed to become an adept in so necessary an accomplished as the art of letter-writing. Inasmuch as you appear to have an idea of the end for which letters are written, namely, to supply the place of that conversation from which we are debarred by absence, from holding with each other. From want of due reflection on this, what absurdities do we see people led into when they sit down to write a letter to a friend. If they aimed at nothing more than communicating what would be most interesting, with such remarks as naturally occurred, it would be unnecessary for them to hammer their brains at the unmerciful rate they often complain they are obliged to do, for something to say. In letter-writing, as in conversation, it will be found that those who substitute the design of distinguishing themselves, for that of giving pleasure to those whom they address, must ever fail. But though I object to a desire of distinguishing one s self as a primary object in...
