Excerpt: .somewhat in the other portions of the three parishes involved. But smallpox coming now from a variety of London parishes besides these three, the operations of Fulham began to grow. They were still insignificant, but such small-pox as did occur between September 14th and November 22nd affected the 0-- mile portion of the special area about three times as much as it did the --1 mile zone. Then came larger hospital operations and a wider diffusion of the mischief, and to sum up the whole period of hospital operations, 25th May 1884 to 26th September 1885, the incidence of small pox on houses of the special area was twice as great as that on the rest of the three parishes, and the incidence on the 0-- mile division of the special area, nearest the hospital, three times that on its ---1 mile zone. Similarly...
