ARE YOU SURE YOU NEED MORE CANDY?

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. Cindy Dennis (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is definitely different than my other books. A fun Halloween story some find it a bit scary. Completely pretend No life lesson will be found in this story. Loaded with imagination and Halloween fun. It depends on the child. I wrote it due to my son loved Halloween so much he would actually collect his candy then have me take a photo of him sitting among his treasure he had gathered. He didn t even care for candy it was the hunt the gathering of the treasures that he loved. Since you have been born the true story of Halloween has been torn. All you know is sugary, gooey, sweets mass produced for the kiddies to eat. Costumes produced like cookies from one large cutter. Children s faces painted with colors spread like butter. You must listen for this story is true and I don t want anything bad to happen to you. Cindy Lu Books has been around since 1999 going to the eBook format and believing we can start a positive movement towards books that have purpose presenting in a very affordable format. Cindy Dennis has a Psychology degree from Drury University.
