

## Routines-Based Early Intervention: Supporting Young Children and Their Families

By R. McWilliam Ph. D.

Brookes Publishing. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 10.9in. x 8.4in. x 0.6in. A proven model for family-centered intervention in natural environments, routines-based intervention is the approach thousands of professionals trust to improve the lives of young children and families. Now there's a definitive guide to this highly respected, theoretically sound model—straight from the leading authority on routines-based intervention. Putting the wisdom and strategies from his popular workshops into book form for the first time, Robin McWilliam gives professionals a detailed framework for early intervention that addresses families' individual needs and helps children participate in daily routines. With the step-by-step guidance on each part of the routines-based intervention model, professionals in Part C programs will reach their key goals during visits to homes and child care settings: Fully understand the family environment. Get to know the family by creating a helpful visual depiction of their relationships, supports, and resources. Conduct assessment that's truly family-centered. Uncover the whole family's functional needs through an in-depth yet unimposing interview about daily routines and activities. Write high-quality IFSPs and IEPs. Develop clear, specific, measurable goals that directly address the family's priorities and help children develop skills relevant to everyday life. Provide coordinated, streamlined...
