

Timeslip Troopers

By Theo Varlet, Andre Blandin

Black Coat Press, United States, 2012. Paperback. Book Condition: New. 202 x 126 mm. Language: English . Brand New Book ***** Print on Demand *****. In Timeslip Troopers (1923), a squadron of World War I soldiers from the Trenches is transported back to the Spanish town of Valencia in the 14th century where they ally themselves with the Moors to fight the Spanish Inquisition. While it is one of several French novels inspired by H. G. Wells The Time Machine -- purporting, in fact, to be its sequel -- it has more in common with Mark Twain's A Connecticut Yankee in the Court of King Arthur, in that its timeslipped protagonists set out to use the advantages of modern civilization, but eventually cannot prevail against Dark Age obduracy. Written by the author of The Xenobiotic Invasion and The Martian Epic, Timeslip Troopers is one of the finest romans scientifiques of the period between World War I and the birth of American science fiction. It holds up remarkably well as an exploratory endeavor, and the quality of its cynical black humor is still as fresh as ever.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
