GROWING GREEN TWO WAYS!

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An intimate, powerful memoir of growing up in the Pacific Northwest when it still had the characteristics of a frontier society in a sometime war zone. From birth on, Darrell Reeck had the support of two dedicated but conflicted parents, transplants from their beloved Spokane to the multi-cultural, economically booming Puget Sound region. Darrell s adventures take us from 1939 wartime in a working-class neighborhood in Tacoma, to 1960 in Seattle and its preparations for the Seattle World s Fair. He sobers and cheers us with stories of grandparents, peers, adult friends, and teachers. Told with humor, warmth, and insight, *Growing Green Two Ways!* recaptures the challenges and pleasures of a youth s experiences on the second-to-last American frontier. Read what critics are saying about *Growing Green Two Ways!* Dennis Flannigan, Tacoman, says, Historians memorializing Tacoma overlook Oakland, a forgotten patch of fewer than 500 homes, just south of Center Street. Darrell reflects on this, his neighborhood, and how it influenced his life and dreams. It was a cap-gun, cowboy childhood in a world without soccer moms, movie blockbusters, or too-busy dads. This memoir illustrates how place and family affect lives, how community counts. Thoughtful and fun; a good read for sure. Recommended. Bonnie J. Messer, Ph. D., Psychologist. *Growing Green Two Ways* invites us to join a young man on his journey to adulthood. One walks with Darrell as he develops his deep love of nature--fording streams, climbing mountains, scouting for bears and rattlesnakes. The floundering adolescent emerges into young adulthood with a strong sense of self, constantly seeking to understand the world through new adventures. H. D. Pease, Retired Presbyterian minister: Wow! This book transported me...
