TRAIL FEVER

DOWNLOAD

Random House USA Inc, United States, 1999. Paperback. Book Condition: New. 198 x 130 mm. Language: English . Brand New Book. A wickedly funny and astute chronicle of the 1996 presidential campaign--and how we go about choosing our leaders at the turn of the century. In it Michael Lewis brings to the political scene the same brilliance that distinguished his celebrated best-seller about the financial world, Liar s Poker. Beginning with the primaries, Lewis traveled across America--a concerned citizen who happened to ride in candidates airplanes (as well as rented cars in blinding New Hampshire blizzards) and write about their adventures. Among the contenders he observed: Pat Buchanan, a walking tour of American anger; Lamar Alexander, who appealed to people who pretend to be nice to get ahead; Steve Forbes, frozen in a smile and refusing to answer questions about his father s motorcycles; Alan Keyes, one of the great political speakers of our age, whom no one has ever heard of; Morry Taylor-- the Grizz --the hugely successful businessman who became the refreshing embodiment of ordinary Americans appetites and ambitions; Bob Dole, a man who set out to prove he would never be president; and Bill Clinton, the big snow goose who flew too high to be shot out of the sky. We watch the cliché s of this peculiar subculture collide with characters from the real world: a pig farmer in Iowa; an evangelical preacher in Colorado Springs; a homeless person in Manhattan; a prospective illegal immigrant in Mexico. The politicians speak and speak, often reversing positions, denying direct quotations, mastering the sound bite, dodging hard questions, wreaking havoc on the English language. Spin doctors spin. Rented strangers (campaign workers) proliferate. One particular toe sucker goes awry. Ads are honed to misrepresent and distort. Money makes the world go...
